

Albert Einstein College of Medicine

Advanced Placement Credit Policy (MD)

I. Purpose

This Policy contains Albert Einstein College of Medicine's ("Einstein" or "College of Medicine") rules concerning credit for advance placement work.

II. Scope

This Policy applies to applicants for the Einstein MD Program.

III. Policy

Formal advanced placement (AP) credit, granted by examination in an area of required undergraduate course work, is acceptable to satisfy that particular requirement.

However, it is strongly recommended that applicants who receive AP credit in Biology complete advanced level course work in that subject.

Examples of advanced courses are: Biochemistry, Cell Biology, Immunology, Genetics, Neuroscience, Physiology and Microbiology.

IV. Definitions

None.

V. Effective Date

Effective as of: 25 July 2018

VI. Policy Management and Responsibilities

Einstein's Office of Admissions for the MD Program is the Responsible Office under this Policy.

Einstein's Executive Dean is the Responsible Executive for this Policy. Einstein's Associate Dean for Student Admissions for the MD Program is the Responsible Officer for the management of this Policy.
