(Last, First)

Manuscript requirement to defend and to graduate: Students are required to publish at least one first-author paper, or if not, to document and append to the Thesis, the final draft of a submitted first-author manuscript. First-author manuscript must at least be submitted prior to the date of defense. Note: A submission to bioRxiv is not acceptable to meet the first-author manuscript submission requirement.

<u>First-author Manuscript Status:</u>	Published	In Press	Submitted
			<i>Attach to this form the confirmation from the journal to which your first-author manuscript was submitted.</i>

List manuscripts below using full reference citation format, for example:

Lázár-Molnár E, Chen B, Sweeney KA, Wang EJ, Liu W, Lin J, Porcelli SA, Almo SC, Nathenson SG, Jacobs WR Jr. Programmed death-1 (PD-1)-deficient mice are extraordinarily sensitive to tuberculosis. Proc Natl Acad Sci U S A. 2010 Jul 27;107(30):13402-7.
