This series of talks will introduce students to how family and social medicine physicians address the needs of specific populations encountered in the Bronx.

Come join us and have the opportunity to:

- Meet physicians and their patients.
- Learn more about the challenges and rewards involved in caring for these patient populations.
- Ask questions about community medicine, family and social medicine, while learning about the primary care physician's role in caring for urban communities.

**Dinner
will be
served**

All sessions will be held in the Mazer Faculty Club | From 5:30 - 7:00 pm

Sponsored by The Department of Family and Social Medicine. Located at Mazer Bldg./Room 100.
Co-Sponsored by Family and Social Medicine Interest Group.
