

# VAX FACTS DDNY

Sharing Science-Based  
COVID-19 Information  
with the  
Developmental Disabilities  
(DD) Community of  
New York State

Funded by: NYS DD Planning Council (DDPC)

## WE ARE

Community & clinical partners  
who create culturally sensitive &  
factual media communications

## HOW WE HELP

We engage and educate families, self-advocates,  
and members of underserved communities  
through

- Increasing access to information and resources about COVID-19 among persons with intellectual and developmental disabilities and their families
- Focusing on COVID-19 Treatment, care, and vaccine/booster updates

We hope to provide tools and resources to deal with  
the "new normal"

## KEY ACTIVITIES

- Produce and Disseminate Emergent Content
- Educational Presentations
- Plain Language Materials
- Host and Maintain Multilingual Materials on the Rose F Kennedy UCEDD Website
