Instructions for Presentations, Transport, Check-in and Check-out

- **Oral presentations:**

- For Faculty: 10 min with 2 min Q&A
- For Pilot Project Grantees and Junior Investigator sessions: 8 min with 2 min Q&A

Please bring your presentation in flash drive, and upload it before your session.

- **Poster presentations:**

Poster boards are 4 x 4 feet

Poster width should not exceed 44 inches to allow for space between posters

Posters will be hung during lunch, and removed when the session is concluded.

- **Bus transportation:**

Oct 13th

7:00 am Pick up from Einstein

Pick up address: 1300 Morris Park Ave, between Newport Ave and Eastchester Road.

9:00 am Arrival at Mohonk

Oct 14th

3:00 pm Bus departs

5:00 pm Arrive back to Einstein

- **Driver:**

Mohonk Mountain House

1000 Mountain Rest Rd, New Paltz, NY 12561

(845) 765-3286

www.mohonk.com/

- **Check-in and -out**

Luggage:

When you arrive (either by bus or car), we will store your luggage in the hotel's holding area until your rooms are ready, and then the luggage will be delivered to your rooms. Of course, you do have the option of stopping by the luggage room to pick up your luggage at any time as well.

Check-in:

Please fill the group registration form "EXCEPT" for the part of Credit card information (because your rooms are put as a 'cash-only' room), and give it to Drs. Ito or Bowman on your arrival. We have check-ins of more than 70 attendees, and this will greatly help expedite check-in. Thank you for your cooperation in advance.

Hotel accepted to do our check-in remotely in the West Dining Room at 4pm. When our poster session is over, the keys will be ready.

Check-out:

There are baskets in the lobby for express check out. You just drop-off your room keys there.

For those who are departing by bus, there will be a luggage cart in front of the guest service desk with "Albert Einstein/bus" written and you can leave your luggage there to be put on the bus when it arrives.

**It will be helpful if you have a name tag on your luggage, though this is optional.
