From the OFFICE OF THE DEAN

Dear Einstein Community:

We condemn in the strongest possible terms the heinous killing of six-year-old Wadea Al-Fayoume and the brutal attack on his mother, both targeted because they are Palestinian Muslims. Authorities believe that the attacks are hate crimes that were motivated by the Israel-Hamas war.

Our hearts go out to the Al-Fayoume family and the entire Palestinian and Islamic American community.

Anti-Palestinian and anti-Islamic hate must not be tolerated – on campus, in America, and any place in the world.
