

Montefiore

From the OFFICE OF THE DEAN

Dear Einstein Community:

On January 15, 2024, we will mark the birthday of Dr. Martin Luther King, Jr., and his inspiring and impactful commitment to equality for all. Einstein's mission and ongoing pursuit of social justice aligns with Dr. King's legacy, and we honor him with our [MLK Week of Service](#). Sponsored by our service-learning program, this [initiative](#) offers all Einstein students, faculty, postdocs, and staff the chance to volunteer—with one of our four local partners or in their own community—between **Saturday, January 13 through Sunday, January 21**.

I encourage you to [view the opportunities offered](#) through MLK Week of Service to learn more about the programs and paid time off for employees. While the sign-up deadline was originally Wednesday, programs taking place Tuesday, Wednesday, and Friday of next week will accommodate anyone who signs up by Friday, January 12.

I will be taking part in the youth mentorship program on Monday, and I look forward to seeing some of you there. I applaud those who have already signed up and encourage others to do so. In the words of Dr. King, "If I cannot do great things, I can do small things in a great way."

Warm Regards,

Yaron Tomer, M.D.
