

FROM THE _____
OFFICE OF THE DEAN

Dear Einstein Community:

Einstein postdoctoral fellows participated in a union election process this week, held by the National Labor Relations Board (NLRB). We respect the rights of postdocs to decide whether they want to be represented by a union and felt it was critical that every postdoc was able to make their voice heard.

We acknowledge that Einstein postdoctoral fellows have chosen to have a union represent them. We are committed to bargaining in good faith to reach a fair contract that works for the postdocs and for Einstein.

Typically, the NLRB notifies the parties of the election results within (5) days. In the meantime, I look forward to working with the scientific community to focus our attention on our research and continue the important work we do.

Warm Regards,

Yaron Tomer, M.D.
