

FROM THE  
**OFFICE OF THE DEAN**

**Dear Einstein Community:**

We are lucky to have frequent opportunities to honor the diversity of our community and acknowledge our colleagues' contributions to our mission. June is PRIDE Month, and Einstein's LGBTQIA+ student group, PRIDE, is taking the lead on arranging an event for the month: a movie screening tonight, June 5, at 7 p.m. in Forchheimer's fifth floor lecture hall. They are also developing a Queer Health Research Lecture series that will begin in the coming months. We encourage you to participate in these events, to mark the occasion, deepen your connections with your fellow students and colleagues, and increase your understanding and knowledge throughout the year. Please be sure to check the [calendar on the diversity and inclusion website](#) for more information.

For those in the Einstein community who identify as LGBTQIA+ or for whom this month holds special meaning, we want to take the opportunity to thank you for the important part you play at the College of Medicine. We are richer and stronger for your perspectives, lived experiences, insights, and participation in our shared enterprise, and we are grateful you chose Einstein.

**Warm Regards,**

**Yaron Tomer, M.D.**

The Marilyn and Stanley M. Katz Dean  
Albert Einstein College of Medicine

**Lynne Holden, M.D.**

Senior Associate Dean for Diversity and Inclusion  
Albert Einstein College of Medicine
