

FROM THE _____
OFFICE OF THE DEAN

Dear Einstein Community:

On Wednesday our nation observes the federal holiday of Juneteenth, which commemorates the emancipation of enslaved people in the United States. It is an opportunity to reflect on our country's history and rededicate ourselves to the ongoing pursuit of justice and equity.

We hope the holiday will provide you time to consider the significance of the day and appreciate the historical burden shouldered by many in our community. We also encourage you to embrace it as a day of joy—a welcome occasion to celebrate freedom, the power of resilience, and the privilege we have to serve our community and each other.

Warm Regards,

Yaron Tomer, M.D.
