CAMPUS ESCORT SERVICES

Dear Einstein Community:

We believe the Security Escort Service is an essential component of our campus security initiative that will be provided on a 24 hour basis by foot or vehicle patrol.

Uniformed Security Escorts are provided from any of our campus housing, educational and parking facilities by calling 718-430-2019 or extension 2019 from any campus telephone.

Most typically escorts arrive within 5-10 minutes of the request. Our Einstein Security Vehicle displays the security logo on both sides of the vehicle. All Uniformed Security Escorts also display an Einstein Identification Card.

Always wait for your Uniformed Security Escort in a safe and well lit area. If waiting in your vehicle, we recommend that you leave your engine on, doors locked and headlights on.

Please contact the Security Department should you have any questions, concerns or suggestions.
