

Albert Einstein College of Medicine

Resources for Nursing Mothers and Lactation Facilities

Dedicated private lactation rooms are available for students, staff and faculty in:

- **Forchheimer Building, room G31N**
- **Price Center, room 120**
- **Kennedy Center, room 937A**

Please contact security at 718-430-8035 for access.

Current staff who are also nursing mothers will be accommodated with reasonable break time (up to 20-30 minutes each break at least once every (3) hours), and a private place to express milk in the workplace. Employees are expected to take such breaks at a time that does not interfere with their duties, including during meal periods. Such breaks are unpaid for non-exempt employees, except to the extent the employee uses regular paid break.

If you anticipate the need to arrange for such breaks, contact the Vice President for Human Resources as far as possible in advance of your return to work after childbirth, so that appropriate arrangements can be made.
