Before deciding to enroll, we strongly advise all applicants to obtain a copy of their credit report, and to take the necessary steps to remedy any credit problems. Students who have defaulted on prior educational loans or who otherwise have an adverse credit history may not be able to secure the loans necessary to finance their education. Institutional funds will not be available to replace unavailable credit-based loans (Graduate PLUS, private), and in such cases students will have to find other means to pay for their education.
